Dear Judith

We are delighted to have been selected as the Charity Partner for Leicester City FC Disability Support Association. Please pass on our thanks to your members for their support and the very kind donation of £50.00.

Vista is one of the oldest and largest local charities in Leicester, Leicestershire and Rutland. We've been working with people with sight loss and their families for over 150 years.

We're there at the point of diagnosis, supporting children and adults in eye clinics by providing information, advice, guidance and support when it's most needed.

As well as rehabilitation, residential homes and social groups Vista provides specialist services for people with learning disabilities, dementia and dual sensory impairment.

Losing your sight can be frightening. Vista is there, enabling people to regain their independence and live fulfilling lives. Your donation will help us to continue support people with sight loss.

Your gift and support is greatly appreciated.

Yours sincerely

Kate Naish  
Director of Income Generation
